Round Lake School District is asking for a Waiver of the Rules to allow this 470 to be treated as within the filing window, making the school eligible for filing a form 471 for the 2005 Funding Year.

The reasons for this appeal are: Round Lake Area School District 116 made a timely filing mistake and that mistake will inevitably hurt the children we serve. We are a multi-cultural school serving economically disadvantaged children. 29 national flags represent the actual birth nations for our students. Only recently did the school district come under the watch of the Illinois State School Finance Authority. Our students qualifying for reduced and free lunch have more than doubled these past two years. We serve 6500 children and the dollars we're subject to losing as a result of one mistake will further serve to reduce other available resources for textbooks and other important materials. These are our children and on their behalf we seek your consideration and your kind attention to this appeal and we sincerely request that the mistake of one individual not serve to further disadvantage our needy children.

Sincerely,

Dennis Stonewall
